8 EXAMINATION

9 BY MR. GOLDBERG:

10 Q. Would you state your full name, sir.

11 A. My full name is Isaac Stanley Scott.

12 Q. All right, sir. And your home  
13 address?

14 A. 1104 Collins Lane, Apartment 1, here  
15 in Frankfort.

16 Q. All right, sir. And your occupation?

17 A. I'm manager of electric and gas  
18 revenue requirements, financial analysis division of  
19 the PSC.

20 Q. All right, sir. And are you a merit  
21 employee?

22 A. Yes, I am.

23 Q. And can you tell me what your  
24 classification is in the merit system?

25 A. Merit system classification I believe

1 it's called an RNT manager.

2 Q. And can you tell me briefly your  
3 educational background?

4 A. I have a bachelor's degree in  
5 accounting from the University of Kentucky while  
6 working for the state.

7 Q. And how long have you been here at the  
8 Public Service Commission total?

9 A. I have been at the commission just shy  
10 of 20 years.

11 Q. Okay. And how long have you been a  
12 branch manager?

13 A. I became branch manager in August of  
14 2001, so it's coming up on three -- four, I'm sorry,  
15 four years.

16 Q. All right, sir. And prior to being a  
17 branch manager, what function did you perform here at  
18 the Public Service Commission?

19 A. I was a public utilities financial  
20 analyst, classification 4, the highest of the  
21 financial analyst group.

22 Q. Okay. At the time you became a branch  
23 manager, had you worked in that particular branch for  
24 a period of years?

25 A. Yes, it's the same branch. I've been

1 in the same branch my entire time at the commission.

2 Q. Fair enough. Tell me what the branch  
3 does.

4 A. Electric and gas revenue requirements  
5 primarily is responsible in the area of rate cases of  
6 going through the filing, examining the proposals  
7 from the company, taking in consideration accounting  
8 rules, traditional rate-making approaches. We're  
9 primarily responsible for coming up with the amount  
10 that is recommended to the commission for any rate  
11 increase in rate cases. Then there's other  
12 responsibilities in financing cases, certificates for  
13 public convenience and necessity, various other  
14 cases, but a lot of our work is primarily with rate  
15 cases.

16 Q. Does your branch deal only with gas or  
17 does it deal with gas and electric?

18 A. Gas and electric.

19 Q. Okay. And going back to the time you  
20 became branch manager, how many folks have been in  
21 the branch?

22 A. We've had a total of five, but there's  
23 only three currently.

24 Q. Okay. Let me take you back in time to  
25 the filing of the LG&E and KU rate cases, and I will

1 refer to them sometimes by their case numbers. LG&E  
2 was 2003-00433, and KU was 2003-00434. They were  
3 filed approximately November -- late November of  
4 2003. And from that point through the end of  
5 May 2004, how many persons were in the branch?

6 A. Two.

7 Q. Okay.

8 A. Not counting myself.

9 Q. All right. And were both persons  
10 assigned to the LG&E and KU rate cases?

11 A. I assigned one person to the KU case  
12 and one person to the LG&E case and myself to both  
13 cases. I was team leader. I'm team leader on the  
14 cases.

15 Q. Okay. And who did you assign the LG&E  
16 case?

17 A. The LG&E case I assigned to Andrea  
18 Edwards.

19 Q. Okay. And the KU case?

20 A. Tim Blakley.

21 Q. Okay. And are both persons still with  
22 Public Service Commission?

23 A. Yes, they are.

24 Q. Okay. We've spoken to Ms. Edwards.

25 A. Mm-hmm.

1           Q.       Tell me what Ms. Edwards and  
2 Mr. Blakley's duties were with regard to the rate  
3 cases.

4           A.       They were primarily put on the cases  
5 for learning experience, given the nature of being  
6 the largest utilities and having some very complex  
7 case issues. I primarily assigned them for learning  
8 experience. I did have them assist me with a few  
9 maybe minor things to look at on case work, but there  
10 was not -- they were not responsible for drafting  
11 data requests or preparing recommendation memos or  
12 anything like that. They did some -- they would do  
13 some -- pulling together some information for me  
14 primarily.

15          Q.       Okay. Do I take it they reviewed the  
16 petition?

17          A.       Since they had both -- both of them  
18 had copies of the application, I would hope that they  
19 read through them. I got the impression they had.

20          Q.       Do you have a recollection of either  
21 one or both doing any memorandums to you about the  
22 application?

23          A.       No, there were none done.

24          Q.       Okay. With regard to the application,  
25 do I take it, then, that you drafted the data

1 request?

2 A. I drafted primarily sections that  
3 dealt with revenue side -- looking at expenses, some  
4 of the proposals being made, I assembled all  
5 requests. As team leader that was my responsibility  
6 to make sure that was done, but I did not write all  
7 questions.

8 Q. Did you write the questions with  
9 regard to the revenue requirements?

10 A. Yes.

11 Q. All right. And do I take it that  
12 Mr. Shaw wrote the questions with regard to rate  
13 design?

14 A. He or others in his staff. I think he  
15 was utilizing his people -- they have a little more  
16 experience at those cases, so he probably utilized  
17 them a little bit more.

18 Q. Other than Mr. Shaw, who else was  
19 input obtained from for the purposes of drafting the  
20 data request?

21 A. We had some input from Mr. Faud  
22 Sharifi on depreciation, and I'm trying to remember.

23 Q. Ms. Morton?

24 A. Yes, she did -- yeah. How can I  
25 forget that? Martha Morton working on the electric

1 depreciation. We had depreciation studies for both  
2 electric and gas operations in the cases. They both  
3 contributed some questions. I'm trying to recall who  
4 did the return on equity questions. I think they  
5 came from Mr. Shaw's shop, so pretty much where it  
6 was coming from.

7 Q. Now, as I understand the procedure, is  
8 that data request made shortly after the application  
9 is filed?

10 A. There is a standard that is -- what we  
11 usually try to do is as soon as we get a notice of  
12 intent to file -- that has to be given 30 days before  
13 the actual application reaches here. During that  
14 time, we try to issue what we call a standard request  
15 to get some background information. We try to issue  
16 that before the application gets here so we can get a  
17 little bit of a head start on pulling together  
18 information.

19 Q. Okay. Now, in addition to conversing  
20 with other staff team -- members, rather, staff team  
21 members, at that point in time, do you have a  
22 recollection of having conversed with the attorney  
23 general's staff?

24 A. No.

25 Q. Okay. And do you have a recollection

1 during that time frame of having conversed with any  
2 members of KIUC or their counsel?

3 A. No.

4 Q. Okay. And let me ask you finally that  
5 question with regard to any persons representing LG&E  
6 and/or KU?

7 A. No contact.

8 Q. No contact, all right. And I take it  
9 that is the traditional approach, that the data  
10 request is the only contact that there is between the  
11 parties and the staff?

12 A. Yes.

13 Q. Okay.

14 A. Other than if there has been a request  
15 for an informal conference, of course. But normally  
16 all of our questioning goes back and forth through  
17 data requests.

18 Q. All right. And you do not have  
19 contact otherwise.

20 A. Do not have contact otherwise.  
21 There -- I'm trying to recall so I can be accurate.  
22 I believe maybe one call came in during the entire  
23 time of discovery from LG&E asking about clarifying a  
24 data request. But if I remember correctly, we routed  
25 that -- sent that down to be routed through our

1 attorneys.

2 Q. All right. Now, review of the  
3 application, data requests. Anything else that is  
4 performed by the staff, any function with regard to  
5 these two rate cases prior to the informal  
6 conference, which I'm supplying you with that date,  
7 which is April 28, 2004?

8 A. The only other steps would have been  
9 to have reviewed the intervenor testimony and  
10 prepared data requests on the -- on that testimony.  
11 But again, still functioning from a data request  
12 standpoint.

13 Q. All right. I am familiar with the  
14 KIUC group as an intervenor, Kroger as an intervenor,  
15 the attorney general as a party, so I trust he's not  
16 an intervenor.

17 A. He technically files a request for  
18 intervention, but because the statute is always  
19 granted.

20 Q. Fair enough. And then finally the  
21 Legal Aid Society and other folks with that  
22 representation.

23 A. Mm-hmm.

24 Q. Any other intervenors that you can  
25 remember?

1           A.       The state Department of Energy.

2           Q.       Is that the Kentucky Department of  
3 Energy?

4           A.       Kentucky Department of Energy, yes.  
5 I'm trying to get my groups straight. It was a long  
6 list of interveners. The U.S. Department of Defense.  
7 We had consolidated a couple of proceedings into the  
8 rate proceeding for administrative efficiencies, so  
9 North American Stainless was involved only in the KU  
10 case. As you mentioned, the low income groups. And  
11 they took different names depending on the location  
12 it was in.

13          Q.       Well, that's the best of your  
14 recollection.

15          A.       The best I recall, I think that covers  
16 everybody.

17          Q.       That sounds like the major groups I  
18 was aware of.

19          A.       Mm-hmm.

20          Q.       Now, do I take it that prior to  
21 April 28, 2004, except through a data request, you  
22 had no contact with any of those parties?

23          A.       Correct.

24          Q.       Including the attorney general's  
25 staff.

1           A.       Correct.

2           Q.       Okay. April the 28th, 2004, the  
3 informal conference, the parties come. What  
4 participation did you have in the informal  
5 conference?

6           A.       Primarily going down -- sitting in on  
7 the conference. We've been very careful in our role,  
8 since the way the commission is structured, of  
9 exactly what staff does or doesn't say at those  
10 conferences. A lot of it is monitoring. But if I'm  
11 recalling correctly, I may not be phrasing this  
12 correctly, but the parties agreed that it was  
13 acceptable for the staff to be present during their  
14 discussions. And from time to time different parties  
15 would actually look to the staff and ask us if we had  
16 opinions on what was being discussed. We  
17 generally -- well, we did not offer anything without  
18 requests for and agreement from the parties that it  
19 was all right for us to say anything.

20          Q.       All right, sir. Are you referencing  
21 the informal conference or are you referencing events  
22 that transpired afterward, i.e., the settlement  
23 discussion?

24          A.       I think I'm -- I think I've got my  
25 history straight on it. I believe a little of -- the

1 conference on the 28th quickly evolved into -- didn't  
2 start out as a settlement, but then the question of  
3 settlement, if I remember right, did come up then.  
4 So it's kind of a mental transitioning, I guess.

5 Q. April 28th would have been, by my  
6 recollection, the end of that week.

7 A. Mm-hmm.

8 Q. May the 3rd, 4th, 5th and 6th were  
9 dates in the following week. Do you have a  
10 recollection of participating in the two rate cases  
11 on those days?

12 A. Yes.

13 Q. Okay. Tell me what you recall.

14 A. I recall that we had extensive  
15 meetings here where all issues in the case were  
16 discussed. The -- all the representatives of all the  
17 parties were present in the room sharing, exchanging  
18 information, positions, concerns on every issue.  
19 There were separate negotiations going on between  
20 North American Stainless and representatives of KU,  
21 but that was related to the fact that their case had  
22 been just them, their one particular case.

23 Q. Did they report --

24 A. Yes. They report -- if anything came  
25 out of that, they reported back. And when it was

1 introduced as part of the overall document, it had --  
2 all the parties had the chance to speak yea or nay.  
3 It was -- it wasn't just, "It's done, here, you've  
4 got to accept it." It was -- everything was  
5 presented back.

6 I was away -- I believe it was an  
7 evening session -- I'm getting my weeks confused, but  
8 there was one evening session I was not at. I  
9 believe it was the Monday evening session, but other  
10 than that, I was at all sessions. And they were --  
11 they ran usually from 8:30 or 9:00 in the morning  
12 until 5:00 or 6:00 at night.

13 Q. Okay. To your knowledge, did the  
14 attorney general and his staff participate?

15 A. They did.

16 Q. Through Ms. Blackford and Mr. Howard?

17 A. Mm-hmm.

18 Q. Okay, sir. Do you have a recollection  
19 of the attorney general himself having participated?

20 A. If I've got the weeks right -- and I  
21 think I do -- the attorney general -- word came to  
22 us, I believe it was on Tuesday of that week -- the  
23 attorney general sent word over that he wanted to  
24 come over to sit in on one of the sessions.  
25 Discussions were suspended until the attorney general

1 arrived, which if I remember correctly we had a 30-  
2 or 40-minute break. He arrived, came in, sat down,  
3 discussions resumed. And I believe he was in the  
4 room maybe 45 minutes to an hour.

5 Q. Okay. And what day do you recall him  
6 being there?

7 A. I recall it being a Tuesday, so it may  
8 have been the 4th.

9 Q. All right. Were you present when an  
10 agreement was finally reached?

11 A. I was not present when the revenue  
12 increase on the electric cases was resolved. That, I  
13 believe, happened on my -- well, the tentative  
14 resolution, let me put it that way. My understanding  
15 from discussions with other people here on the Monday  
16 night when everybody left Monday night, there was an  
17 understanding that the electric revenue increase had  
18 been resolved.

19 Came back in Tuesday, and then around  
20 10:00 Tuesday morning we were told that the attorney  
21 general's office had concerns. And that's when we  
22 were waiting for Mr. Stumbo to show up.

23 And the gas side of the LG&E case,  
24 yes, I was here when we -- when that was -- when all  
25 the parties agreed on that. If I remember correctly,

1 the gas was taken -- or I shouldn't say taken. The  
2 gas side of the LG&E case was -- a resolution was  
3 reached on its revenue increase first. It was the --  
4 had the fewer contentious issues in it, and the  
5 parties were able to come to an agreement on that  
6 quicker.

7 And I believe, if memory is serving  
8 me, that there was a tentative understanding among  
9 everybody -- and unfortunately I was not here, I'm  
10 basing that on what I was told -- was reached Monday  
11 night on the two electric cases. Then Tuesday  
12 morning sometime in the mid-morning we were told that  
13 there was not resolution.

14 Q. Okay. You recall who told you this?

15 A. If I remember correctly, Ms. Blackford  
16 had to announce she'd gotten a phone message -- I  
17 think it was her. It may have been Mr. Howard. But  
18 it came from one of the two AG's representatives.  
19 They had received some notification from their  
20 office.

21 Q. That would have been on Wednesday?

22 A. I was thinking it was Tuesday, but I'm  
23 not -- some of the dates have gotten confused.

24 Q. Would it have been the second day of  
25 negotiation or the first day?

1           A.       I believe it was the second day.

2           Q.       Okay. Well, the dates will stand for  
3 whatever they are.

4           A.       Yeah.

5           Q.       Am I correct, then, that there was  
6 agreement on the revenue requirement by the attorney  
7 general as to gas, but not to electric?

8           A.       There was definitely agreement on gas.

9           Q.       All right. And am I also  
10 understanding that there originally was agreement by  
11 the attorney general on electric and then  
12 Ms. Blackford had to announce that there was no  
13 agreement subsequently?

14          A.       On the first part, it was my  
15 understanding -- that was the session I was not at,  
16 the finalizing. I was in during some of the  
17 discussions when it was bantered around. But my  
18 understanding was yes, there was agreement in the  
19 evening of one of the sessions, but then the next  
20 day -- I was present when she said that they had  
21 to -- that there was no longer agreement.

22          Q.       All right. And do I take it that the  
23 attorney general did agree with regard to rate  
24 design?

25          A.       Yes, he did.

1 Q. Okay.

2 A. There was quite extensive discussion  
3 on rate design. The AG had some very specific  
4 positions they wanted to address, and the parties  
5 worked through those -- all parties worked through  
6 those with everybody else to come to a resolution.

7 (DEPOSITION EXHIBIT NO. 1 PREVIOUSLY  
8 MARKED)

9 Q. Okay. Are you familiar with the PSC's  
10 policy -- employment policy, especially as it relates  
11 to ex parte communications? And I'm handing you the  
12 employee information handbook.

13 A. It has been a while since I've read  
14 through it, but, yes, I'm familiar with it.

15 Q. All right, sir. And I'm showing you  
16 page 20, and specifically subsection G, "Improper  
17 Ex Parte Communication."

18 A. Mm-hmm.

19 Q. Okay. And I take it you are -- have  
20 an understanding of what is an improper ex parte  
21 communication here at the PSC?

22 A. Yes.

23 Q. Okay. And I further take it you've  
24 been here 20 years and have been through some  
25 education on what is ex parte communication?

1 A. Yes.

2 Q. Okay. And you were a member of the  
3 staff during the Louisville Gas & Electric v. Cowan  
4 case, were you not, or was that before your time?

5 A. That would be possibly back with  
6 Trimble 1?

7 Q. Yes.

8 A. Yes, I was.

9 Q. Is it a fair statement to say that  
10 much attention is paid to making sure the staff  
11 understands what is an unallowable ex parte  
12 communication?

13 A. Yes, there is.

14 Q. Okay. Using that as a frame of  
15 reference with regard to your participation on  
16 April 28th, May the 3rd, 4th, 5th and 6th, did you  
17 witness any ex parte communication between any member  
18 of the staff and any of LG&E, KU or intervening  
19 parties?

20 A. Witnessed nothing that would be  
21 ex parte.

22 Q. All right, sir. Do I take it, then,  
23 that at no time are you aware of -- no time from the  
24 date of the filing of the application to the entering  
25 into the settlement agreement, you're not aware of

1 any ex parte communications occurring in this case or  
2 cases?

3 A. I'm not aware of any occurring in  
4 those two cases.

5 Q. Okay. Did you yourself ever have any  
6 communications with Tom Dorman about these two cases?

7 A. I would have to say I honestly believe  
8 from time to time as the cases were progressing,  
9 Mr. Dorman may have seen me in the hallway and just  
10 asked how were they progressing. But nothing of --  
11 no discussions of any real substance.

12 Q. Okay. Do I take it, then, there were  
13 no discussions between you and he with regard to the  
14 merits of the cases?

15 A. Definitely no discussions on the  
16 merits.

17 Q. Okay. Again, using the standard as  
18 contained in the employee handbook on ex parte  
19 communications, are you aware of any ex parte  
20 communication between any commission member and  
21 either LG&E, KU personnel or any of the interveners?

22 A. I'm not aware of any communication  
23 along that line.

24 MR. GOLDBERG: All right, sir. That's  
25 all I have.

1 THE WITNESS: Okay.

# PSC INFORMATION HANDBOOK

## Introduction

The Commissioners and management team of the Kentucky Public Service Commission (PSC) recognize their employees as their most valuable asset. This booklet has been prepared to help employees learn about their commission, its structure and functions, and some of the many facets of the employment relationship into which they have entered. In referring to employees, "he" shall mean male or female.

Questions concerning employment should be directed to your immediate supervisor, or to your agency Personnel Administrator.

The Public Service Commission is an independent administrative body established by the Legislature in 1934 with quasi-legislative and quasi-judicial duties.

The Commission regulates intrastate rates and services of investor-owned electric, natural gas, telephone, water and sewage utilities, rural electric and telephone cooperatives, and water districts and associations. The Commission performs its regulatory functions through written orders following adjudicative and rulemaking procedures outlined in Chapter 278 of the Kentucky Revised Statutes and administrative regulations promulgated by the Commission in Title 807 of the Kentucky Administrative Regulations.

The Commission's goal is to ensure that every utility within its jurisdiction charges fair, just and reasonable rates for the services rendered and that those services are safe, adequate, efficient and reasonable.

The PSC consists of three (3) members appointed by the Governor with the advice and consent of the Senate. Commissioners are appointed for staggered four year terms. Appointments run from July 1 to June 30, with each commissioner staying in the office until his successor is sworn into office. The Governor designates one commissioner to act as Chairman and Chief Executive Officer and a second commissioner to serve as Vice Chairman and act for the Chairman in the latter's absence.

The PSC is divided into the following units: General Counsel (Legal), Engineering, Rates and Research, Financial Analysis, and Administrative Services. The Commission appoints an Executive Director, to serve at its pleasure, and to act as Chief Administrative Officer directing day-to-day operation of the Commission.

## **Affirmative Action Policy**

The Commission is committed to the law of the Commonwealth in establishing a work place free from the injustices of discrimination. It is the policy of the Commission to affirm equal opportunity for employment and advancement to all qualified persons without regard to race, color, religion, national origin, disability, sex, age, or sexual orientation. Any employee who believes he has been subjected to discriminatory treatment in the workplace has the responsibility immediately to bring the problem to the attention of the agency Personnel Administrator.

## **The Americans With Disabilities Act of 1990 (ADA)**

The Americans With Disabilities Act, 42 U.S.C. § 12101 et seq., is a federal law that requires that public facilities and programs, when viewed in their entirety, be accessible to persons with all types of disabilities. The ADA also makes it unlawful to discriminate against a qualified person with a disability in any aspect of employment. The ADA applies to Commission employment practices and the terms, conditions and privileges of employment. The ADA protects qualified persons with a disability. This includes current Commission employees, qualified applicants seeking Commission employment and citizens seeking to utilize Commission facilities and programs. Contact the agency Personnel Administrator for further information.

## **Sexual Harassment Policy**

The Commission does not tolerate sexual harassment of any kind. Sexual harassment in the workplace is a serious offense against the dignity of fellow workers and a violation of both state and federal law. Sexual harassment is viewed as misconduct and will subject any offending employee to disciplinary action up to and including dismissal. Any employee who has a complaint of sexual harassment at work by supervisors, co-workers, visitors or clients should immediately bring the problem to the attention of his supervisor, or, if the complaint involves supervisory personnel in the employee's line of command, complaints may be made to another supervisor, the agency Personnel Administrator or the Cabinet Personnel Administrator.

## Vacancies

When a vacancy occurs in the Commission, it is usual practice to attempt to fill the position from within the agency or state government through promotion or transfer. When recruiting from the outside for a merit position, a register of names is requested from the Department of Personnel for the vacant position. A selection is made from this register. The new employee serves a probationary period of six months to obtain merit status. Non-merit appointments are made by the Commission to serve at the pleasure of the Commission.

## Probationary Period

1. Initial probationary period is the period an agency observes an employee's job performance and determines to continue his employment or terminate it. The initial probationary period is six months. Employees who perform satisfactorily gain merit system status.
2. Promotional probationary period is the six months following a promotion during which the agency observes the employee's job performance. With satisfactory performance, the employee gains merit system status in the new job. If performance is not satisfactory, the employee is returned to his former position or to a position in the same job classification as the former position.

## Transfers

If an employee wishes to transfer to another position or location within the Commission, he should submit the request in writing to his supervisor. If an employee wishes to transfer to another state agency, it is his responsibility to locate the new position. The Commission and the hiring agency will coordinate the transfer of Personnel records. The employee is responsible for notifying his immediate supervisor and negotiating a transfer date.

## Promotions

Promotion is a change from a position in one class to a position in another class having a higher minimum salary or carrying a greater scope of discretion or responsibility. Employees who are promoted are required to serve a **promotional probationary period**. Employees who are promoted retain their status in the class from which they are promoted; if an employee does not successfully complete the promotional probation he must revert to a position in his former class. An employee who is promoted receives a salary increase of at least five percent or advances to the minimum of the grade for the new position (whichever is greater). An agency may give a five percent promotional increase to an employee who successfully completes promotional probation. If the promotion is to a position which constitutes an unusual increase in the level of responsibility, the agency, with the prior written approval of the Commissioner of Personnel, may grant upon promotion a ten percent or fifteen percent salary increase over the employee's previous salary.

## Reclassifications

A reclassification occurs when an employee is given a different job classification because of a **material and permanent** change in his duties or responsibilities. An employee who is advanced to a higher pay grade through reclassification shall receive a salary increase of five percent except that in no case shall the employee's salary be below the minimum for the new pay grade. An employee placed in a lower pay grade through reclassification shall receive the same salary he received before reclassification.

## Hours of Work

Full-time state employees are required to work 7.5 hours per day. Part-time and hourly employees shall be scheduled to work hours in accordance with the needs of the position. The normal work hours are from 8:00 a.m. to 4:30 p.m., Monday through Friday, unless flextime has been approved by the Executive Director. The employee shall not be scheduled to begin work earlier than 7:30 a.m. nor later than 8:30 a.m. Habitual tardiness or excessive absenteeism from work stations shall constitute grounds for disciplinary action.

## Training

The Commission encourages all employees interested in career development to take advantage of courses offered at the Governmental Services Center at Kentucky State University. The Commission also encourages job enrichment through work-related workshops and seminars of a technical nature to improve job efficiency and effectiveness if within the budgetary allowance.

## Performance Evaluations

Performance evaluations enable both the supervisor and employee to determine whether the employee is meeting the requirements of the job. Performance evaluations, updated job descriptions, standards and goals are to be completed for merit employees on June 30 (mid-year) and December 31 (year-end) of each year. An employee is not eligible to begin the evaluation process unless his probationary period is completed by January 1 of the year for which he is to be evaluated.

## Job Classification

The goal of the classification process is to maintain a system that accurately matches what the employee does with how the employee is classified. Each employee has a detailed position description (PD) of his job duties. The PD is developed and monitored as a joint effort of both the employee and his supervisor.

## Compensation (Pay) System

When jobs are classified, they are evaluated on thirteen (13) factors and compared to jobs in their proposed class. The following factors are included in the evaluation: minimum education requirement; minimum experience requirement; supervisory responsibilities; responsibilities for following, interpreting, enforcing, or developing policies or procedures; responsibility for materials and supplies; authority to handle and spend money; responsibility for personal contacts; responsibility for records and reports; responsibility for machinery and equipment; types of mental skills required; types of mental demands required; types of physical demands; and types of working conditions. This evaluation provides a basis for internal ranking of classes. In addition, the Department of Personnel maintains information about the salaries other employers pay for similar jobs. Using all available information, each class is assigned a pay range on the salary schedule.

## Paychecks

All payroll checks are paid two weeks in arrears. For example, a new employee will not receive his first paycheck for four weeks. If the appointment date is September 1, he will receive his first check on September 30 for the September 1 - 15 pay period. Payday is always on the 15th and 30th of each month, unless payday falls on a Saturday or Sunday, in which case paychecks are delivered on the preceding Friday.

## Resignation

An employee who desires to terminate his service with the state shall submit a written resignation to the agency. Resignations shall be submitted at least fourteen (14) calendar days before the final working day. Failure of an employee to give fourteen (14) calendar days notice with his resignation may result in forfeiture of accrued annual leave.

## Retirement

All salaried employees and hourly Commission employees working an average of 100 hours a month are members of the Kentucky Employees Retirement System and contribute 5% of their base pay to the retirement system. The state contributes 7.65% of the employee's base salary to his retirement account. The following are benefits provided by the Retirement System:

### Normal Retirement

1. A member who has attained age 65 and has acquired at least 48 months of service credit (12 months must be current service) is eligible for an annual retirement benefit as determined by the following formula:

YEARS OF SERVICE X 1.97% X FINAL COMPENSATION\*

EXAMPLE: A member has 20 years of service and final compensation of \$15,000.

$$20 \times 1.97 = 39.4\%$$

$$39.4\% \text{ of } \$15,000 = \$5,910 \text{ annual payment}$$

$$\$5,910 \text{ divided by } 12 = \$492.50 \text{ monthly payment}$$

\*Final compensation is the average annual salary earned during the five fiscal years when the member's salary was highest.

2. A member who has attained age 65 but has less than 48 months of service is eligible for a monthly benefit equal to the actuarial equivalent of twice the member's accumulated contributions. This amount must be calculated by the retirement system.

#### Early Retirement

1. A member may elect early retirement at any age with no decrease in benefits if the member has 27 years of service credit. At least 15 years of the service must be current service.
2. A member may choose early retirement if he is age 55 or older and has at least 60 months of service credit.
3. A member may also choose early retirement if he is under age 55, and has at least 25 years of service, 15 of which must be current service. The benefits are calculated the same as for normal retirement and are reduced 5% for each year of service credit under 27.
4. Under early retirement, the benefit is calculated the same as under normal retirement, except that benefits are reduced depending on the member's age or years of service.

#### Disability Retirement

A member who has acquired 60 months of service credit (12 months must be current service) is eligible for a monthly disability benefit if he should become disabled while actively contributing to the retirement system. Application for disability benefits must be made within 12 months of termination of employment. Disability benefits are calculated in the same manner as Normal Retirement benefits except that additional years of service credit may be added to the member's account and years of service at the time of disability.

Any questions should be referred to the Kentucky Employees Retirement System office at (502) 564-4646.

### **Deferred Compensation**

All Kentucky state government employees may participate in the Deferred Compensation program. Deferred Compensation lets the employee set aside income from his paycheck for retirement. Money set aside for Deferred Compensation is

automatically payroll deducted twice each month. The employee pays no state or federal income tax on the money deferred until he begins receiving benefit payments at retirement or early retirement, when he may be in a lower tax bracket. For additional information, contact the Kentucky Public Employees Deferred Compensation System at 564-7240.

## U.S. Savings Bonds

Savings Bonds are available to all employees through payroll deduction. Employees should contact the agency Personnel Administrator for forms and information.

## Credit Unions

A state employee may join the Commonwealth Credit Union or the Kentucky Employees Credit Union. Each offers a wide range of financial services, including secured and unsecured loans, savings plans, and payroll deductions. Information may be obtained by calling:

Commonwealth Credit Union	(502) 564-4775
Kentucky Employees Credit Union	(502) 564-5597

## Workers' Compensation

All Commission employees are protected by Workers' Compensation. If an employee is injured at work, he should advise his supervisor immediately. Reporting should be coordinated through the Personnel Administrator's office. Failure to report injuries to the supervisor within 24 hours may jeopardize an employee's entitlement to Workers' Compensation benefits.

## Unemployment Insurance

All employees of the Commission (except Commissioners) are eligible for unemployment compensation under certain circumstances. Direct any questions to the agency Personnel Administrator.

## Agency Leave Procedures

Accumulation and use of the following leave are controlled by 101 KAR 2:100:

Annual	Voting
Sick	Blood Donation
Compensatory	Military
Court	

## Family and Medical Leave Act of 1993 (FMLA)

FMLA, 29 U.S.C. §2601 et seq., requires covered employers to provide up to 12 weeks of unpaid, job-protected leave to "eligible" employees for certain family and medical reasons. Unpaid leave must be granted for any of the following reasons:

- > to care for the employee's child after birth, or after placement of a child with the employee for adoption or foster care;
- > to care for the employee's spouse, child, or parent, who has a serious health condition; or
- > for a serious health condition that makes the employee unable to perform his job.

### Job Benefits and Protection:

- > For the duration of FMLA leave, the employer must maintain the employee's health coverage under any "group health plan."
- > Return from FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

For additional information regarding FMLA, please contact the agency Personnel Administrator.

## Holidays for State Personnel

State offices shall be closed and state employees shall be given a holiday on the following days:

- (a) The 1st day of January plus one extra day;
- (b) The 3rd Monday in February;
- (c) Good Friday, one-half day;
- (d) The last Monday in May;
- (e) The 4th day of July;
- (f) The 1st Monday in September;
- (g) Presidential election day as required under KRS 2.190;
- (h) The 4th Thursday in November plus one extra day;
- (i) The 25th day of December plus one extra day.

## Smoking Policy

To provide a workplace that respects the rights of non-smokers, while ensuring smokers are not deprived of their rights, smoking is permitted only in specifically designated areas. This policy is in effect at all times.

## Health Insurance

An employee has the option of receiving coverage through the carrier holding the state health insurance contract or if he lives or works within a defined service area, he may choose coverage through one of the health maintenance organizations (HMO's). Health coverage becomes effective the first day of the second month following the date of employment. When his employment terminates, the employee remains covered for the following month by the state's contributions.

The Retirement System provides hospital/medical insurance or Health Maintenance Organization coverage for recipients of a retirement benefit. Participation in these plans is optional and a recipient may purchase, at his own expense, coverage for his beneficiaries and dependents. The cost of coverage for the retirement system member may be partly paid by the retirement system depending on the number of years of service that the member accumulated. Percentages of the premium that will be paid by the system are as follows:

Less than 4 years	0%
4 - 9	25%
10 - 14	50%
15 - 19	75%
20 or more years	100%

## Life Insurance

All eligible employees receive term life insurance coverage paid for by the state in the amount of \$6,560.00. To be eligible for life insurance benefits, a state employee must be a contributing member to one of the state administered retirement systems. The insurance becomes effective the first day of the second month following the date of employment. As with health insurance coverage, an employee will be covered by the state term life insurance one month following his separation from state service. State employees also have the option of purchasing additional life insurance. See the agency Personnel Administrator for additional information.

## Other Insurance

Several dental insurance options are available for state employees through payroll deduction. The state does not contribute toward any of these premiums. Many premiums can be payroll deducted. See the agency Personnel Administrator for additional information.

## Commonwealth Choice

Commonwealth Choice is a tax-saving opportunity that can benefit employees and their families who have dependent day care or out-of-pocket healthcare expenses. **Commonwealth Choice is not an insurance plan.** This optional benefit was implemented by the Kentucky Department of Personnel to help reduce taxes and increase spendable income. The cost-saving advantage of the plan is simple: any eligible dependent care and health care expenses paid through the plan are tax free. No federal or state income tax or Social Security tax on the money used to pay these eligible expenses is owed. Any full-time or permanent part-time, active state government employee who is eligible for state-sponsored health insurance coverage and will have completed one full year of continuous service by December 31 of a given year, can enroll in this tax-saving plan. For additional information on Commonwealth Choice, contact the agency Personnel Administrator.

## Kentucky Employee Assistance Program (KEAP)

The Kentucky Employee Assistance Program (KEAP) is dedicated to helping employees find solutions to personal problems that may hinder effectiveness at work. Problems concerning marital, family, or emotional distress, alcoholism and drug abuse, financial or legal difficulties, or even medical problems can seriously diminish an individual's job performance. As a progressive employer, the Commonwealth of Kentucky recognizes that there are positive, workable solutions to many of these problems which trouble employees. All state employees and their families are eligible for KEAP services, and there is no cost for its information or referral services. All contact with KEAP is strictly confidential; any personal information disclosed will be kept confidential to the full extent permitted by state and federal law.

## Drugfree Workplace

The Drug Free Workplace Act of 1988, 41 U.S.C. §701 et. seq., provides that recipients of federal grants shall inform their employees that the unlawful manufacture, distribution, dispensation, possession, or use of alcohol and other controlled drugs in any designated workplace is prohibited. Conviction for such conduct may subject the employee to appropriate disciplinary action under state law, up to and including dismissal. The state may, in lieu of disciplinary personnel action, require an employee convicted of such conduct to participate in a drug abuse assistance or rehabilitation program.

## Health and Safety

The Commission adheres to federal and state laws established to guarantee the health and safety of all employees in the workplace. Employees must follow the safety rules and procedures pertaining to their work unit. They must also maintain a personal commitment to exercising safe work habits and practices. For further information regarding health and safety in the workplace, please contact the agency Safety Coordinator.

## Disciplinary Action

Supervisors are responsible for disciplining employees for just cause including conduct while on or off duty which may be prejudicial or detrimental to the Commonwealth or otherwise affect adversely the confidence of the public in the integrity of the Commission. Discipline may range from written reprimand to suspension or dismissal from state service. If an employee disagrees with any discipline received, he may appeal the action. The steps outlining these procedures are described in the Grievances Section.

## Grievances

A grievance is a complaint filed by an employee which concerns some aspect of his employment. A grievance must be filed within thirty (30) days of the date of the action complained of or the date upon which the employee, exercising due diligence, became aware of the action.

### Procedures

1. A grievance shall be filed with the employee's immediate supervisor.
2. The employee shall set forth in writing the basis of his grievance or complaint together with the corrective action desired. If the employee wishes to submit additional information or documentation, he may attach it to the grievance.
3. When a grievance is filed that alleges discrimination on the basis of race, color, religion, national origin, sex, disability or age (forty (40) or over), the supervisor shall immediately notify the agency Personnel Administrator in compliance with affirmative action requirements.
4. Interviews to evaluate or investigate the grievance held with the complainant or other employees shall not require the use of leave time. For interviews held outside of normal working hours, compensatory time shall be granted.

5. All parties may have a representative present at each step of the grievance procedure.

To obtain additional information, contact the agency Personnel Administrator.

## **Misuse of Facilities or Equipment**

No employee shall use any equipment, supplies, or properties of the Commonwealth for other than officially designated purposes. Any questions in this area should be directed to the employee's immediate supervisor.

Telephones are to be used for state business. If it is necessary for employees to make personal long-distance calls, they shall reimburse the state for personal calls in cash or by personal check payable to Kentucky State Treasurer.

## PROFESSIONAL CONDUCT AND ETHICAL RESPONSIBILITIES

Employees of the Commission work for the benefit of the people of the Commonwealth of Kentucky. As public servants, employees are bound to adhere faithfully to standards of professional and ethical conduct. Employees represent the Commission and are expected to conduct themselves in a manner which will inspire the confidence, trust, and respect of the public.

Principles of ethical behavior are based on the belief that public servants must be independent and impartial; government policy and decisions must be made through established processes; public servants must not use public office to obtain private benefits; and the public should be able to have confidence in the integrity of its government. KRS 11A.005. The Commission requires its employees to avoid conflicts of interest, improper ex parte communications, and participation in activities which present the appearance of impropriety.

The following guidelines are set forth to illuminate areas of concern:

### A. Adverse Pecuniary Interest

Commissioners are statutorily prohibited from holding an official position or owning stocks, bonds, or any other pecuniary interest in a utility. KRS 278.060(2). The Commission has adopted the same prohibition for its staff. The Commission has determined that participation in an investment plan where utility stocks or bonds are purchased as part of a total portfolio and where the Commission staff member has no control over the company chosen for investment (such as a mutual fund), does not constitute a violation of this prohibition. Any staff member who is in violation of this policy shall immediately disclose that fact to the Executive Director.

All employees are subject to the provisions of the Kentucky Model Procurement Act ("Act") which detail prohibited conflicts of interest for public officers and employees. An employee cannot be interested, either directly or indirectly, in any contract in which he may be called to act or vote. KRS 45A.430. Likewise, the Executive Branch Ethics Code ("Code"), applying to all employees of the Commission, prevents a public servant from acting as a representative of the state in a business transaction with himself or in any business in which he or a family member has a greater than five percent interest. KRS 11A.040(3). "Family" is defined in KRS 11A.010(4) to mean a person's "spouse and children, as well as a person who is related to a public servant as any of the following, whether by blood or adoption:

parent, brother, sister, grandparent, grandchild, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, stepfather, stepmother, stepson, stepdaughter, stepbrother, stepsister, half brother, half sister."

Another Code provision, KRS 11A.040(4), could affect employees by providing that they and their family members holding more than a five percent interest in a business cannot be parties, directly or by virtue of their partial ownership of the business, to any contract, agreement, lease, sale or purchase between that business and any state agency. For example, it is impermissible for the owner of a computer business to sell products to the Department of Human Resources if at least five percent of its shares are owned by the spouse of a Commission employee. Violation of this statute is a Class D felony.

#### **B. Gifts and Favors**

The Code provides that a public servant cannot knowingly accept compensation, other than that provided by law for public servants whose salary is paid by the Commonwealth, for the performance of any activity included in his official duties. KRS 11A.010(5). Compensation is defined as "any money, thing of value, or economic benefit conferred on, or received by, any person in return for services rendered, or to be rendered, by himself or another." KRS 11A.010(3).

The Executive Branch Ethics Commission has concluded that when dealing with a civic organization or other organization not comprised of entities regulated by the commission:

"an executive branch employee may accept a free meal at an event in which he is invited to participate in furtherance of his official duties, provided these tests are met:

1. The meal is an integral part of the event and the employee's role in the program occurs immediately before, during, or immediately after the meal.
2. The employee's meal is the same available to all others at the event and is consumed on the premises.

We also approve acceptance of a small token of appreciation such as a coffee mug. Public servants are encouraged to make speeches and presentations for the benefit of citizens of the Commonwealth, but public servants shall be zealous to accept nothing more than a small token of appreciation." AO 90-10.

The Executive Branch Ethics Commission states that employees involved in regulating utilities should not accept meals or beverages from those utilities or trade associations whose members are regulated utilities. AO-93-50.

The Commission prohibits its employees from accepting any item, including food or entertainment, from any employee of or executive agency lobbyist for a regulated utility. The Commission strives to avoid the public perception that an improper relationship may exist between regulated utilities and the Commission or its staff.

#### **C. Representing Non-State Interests**

No employee shall represent or act as an agent for any private interest, whether for compensation or not, in any transaction in which the state has a direct and substantial interest and which could be reasonably expected to result in a conflict between a private interest of the official or employee and his official state responsibilities.

#### **D. Misuse of Information**

The Code prohibits Commission employees from knowingly disclosing or using confidential information acquired during the course of their work. KRS 11A.040(1).

Employees should carefully and conservatively evaluate a document before providing it or describing its contents to anyone other than another Commission employee. Consult the Commission's General Counsel for assistance if you are unable to determine whether a particular document should be released.

#### **E. Outside Employment**

Members of the Commission are required by statute to devote their entire time to the duties of their offices. KRS 278.050(1). Members of the Commission's staff are not legally prohibited from having other jobs. However, employees who do seek outside employment are expected to ensure there is no conflict with their Commission duties. Employees who are unsure whether outside employment conflicts with their Commission duties should notify the Executive Director or consult the General Counsel.

#### **F. Post-Commission Employment**

The Code places three restrictions on the type of employment a public servant is permitted to accept after leaving state government:

1. A former public servant may not act as a lobbyist or lobbyist's principal for a period of one year after the date he leaves state employment or his term of office expires, whichever is later.
2. A former public servant may not represent a person in a matter before a state agency in which the former public servant was directly involved for a period of one year after the date he leaves employment or his term of office expires, whichever is later.
3. A present or former public servant may not, within six months of the termination of his state employment, accept employment, compensation, or other economic benefit from any person or business that contracts or does business with the state in matters in which he was directly involved during his tenure. This prohibition does not apply to individuals returning to the same business, firm, occupation, or profession in which they were involved prior to state government employment. The Executive Branch Ethics Commission has indicated through its Executive Director that it considers the Commission to be "doing business" with the utilities it regulates.

#### G. Improper Ex Parte Communication

1. "Ex parte communication" means an oral or written communication which relates to the merits of a formal proceeding pending before the Commission, or which the employee reasonably anticipates will be filed with the Commission, and which is not included in the public record, without notice and opportunity for all parties or interested persons to participate. A communication relevant to the merits includes any issue of fact or law relative to the matter pending.
2. The following types of communication are not prohibited ex parte communications if such communication is reasonably limited to the matter at hand:
  - (a) Any procedural inquiry, including prefiling inquiries.
  - (b) Staff's communications when performing routine operational inspections and safety inspections not for the purpose of investigating a matter pending before the Commission.
  - (c) Staff's communications when performing management audits pursuant to KRS 278.255 and routine field audits of accounts, books, and the Commission.

- (d) Staff's communications when performing cell site field inspections.
  - (e) Staff's communications when performing field reviews or inspections for preparation of Commission staff reports to be filed in pending or anticipated rate cases.
  - (f) Staff's communications in cases without intervenors, unless the staff determines intervention is likely.
3. Commissioners or Commission staff shall not participate in any prohibited ex parte communication with any interested person regarding the merits of any formal case or proceeding pending before the Commission or a case or proceeding that the employee anticipates will be filed with the Commission. It is improper to disclose a Commission decision prior to the issuance of an Order on the matter.
  4. If an employee participates in a prohibited ex parte communication, he shall immediately disclose the relevant details of the communication to the General Counsel.

#### H. Executive Agency Lobbyists

As of September 16, 1993, any individual who is engaged to promote, oppose, or otherwise influence the outcome of an executive agency decision is considered an executive agency lobbyist and is required to register with and make certain disclosures to the Kentucky Executive Branch Ethics Commission.

An "executive agency decision" is narrowly defined to include only those agency decisions regarding the expenditure of state or agency funds with respect to the award of a contract, grant, lease, or other financial arrangement under which those funds are distributed or allocated. PSC employees are rarely involved in agency decisions affecting the disbursement or allocation of state or agency funds.

However, executive agency lobbyists are required to report on a quarterly basis all expenditures made on behalf of or financial transactions with any executive branch employee in any agency, whether or not the employee works for the agency the executive agency lobbyist was engaged to influence. All Commission employees must be aware that disclosure of expenditures and financial transactions involving them could be detrimental to the public's perception of the Commission and act accordingly.

WHEN THE PUBLIC ASKS FOR DIRECTIONS TO PUBLIC SERVICE COMMISSION:

Take I-64 to the Frankfort/Versailles exit (Exit 58). Turn off the exit onto U.S. 60 (Versailles Road) toward Frankfort. Follow U.S. 60 all the way in until you reach the intersection of U.S. 60, 460 and 421 (approximately 3 miles). As you approach the intersection, the road will widen to 5 lanes and a sign will read "Capital Plaza Complex". Continue straight through the light onto U.S. 421 (Wilkinson Boulevard) for approximately 1 mile. At the first light (at Hardee's) you will turn right onto Schenkel Lane. We are on the second block, in a two-story brick building located on the right, across from the Chrysler dealership (Frankfort Auto Sales) and right before you get to the liquor store.
